

MASCULINE HERBAL COMPLEX

Though you may be healthy in all other respects, imbalances or disruptions of natural male functions can occur that undermine feelings of wellness and male vitality. For centuries, master herbalists have known that men have unique needs, and that certain herbs work to balance and support normal masculine function and improve wellness and vitality. NeoLife developed Masculine Herbal Complex using ancient herbal knowledge and leading-edge science to support needs unique to the male system.

Why Choose Herbs for My Male Concerns?

- Herbs have been proven effective from centuries of use.
- Herbs have a long history of safe use, without the side effects associated with chemical drugs.
- Herbs are nature's solutions to wellness challenges.
- Herbs are non-habit forming.
- Herbs naturally and gently balance and support normal male physiology and function.
- Herbs have been shown to support masculine needs and help the male body perform at its vital best.

Why NeoLife Masculine Herbal Complex?

- **Comprehensive formula.** Our unique “complete family” approach to the formula provides broad, synergistic effects of the herbal constituents, which optimise their ability to promote vital male balance.
- **Herbs are selected from many global traditions,** bringing you the best herbal knowledge from around the world.
- **Contains Saw Palmetto,** which has been shown to help support prostate health.
- **Contains Avena Sativa,** which supports the function of the nervous system.
- **Contains St. John's Wort and Skullcap,** which help support calmness, relieve low mood, and support positive mental attitude.
- **Contains Damiana** for renewed vitality.
- **Guaranteed purity, potency, and consistency.**
- **100% natural herbal formula** contains no chemical or animal products.

“NeoLife developed Masculine Herbal Complex using ancient herbal knowledge and leading edge science to support needs unique to the male system.”

MASCULINE HERBAL COMPLEX

The NeoLife Difference

The following benefits have been attributed to the herbs contained in NeoLife's Masculine Herbal Complex by master herbalists:

Herb	Traditional Benefit
Saw Palmetto - fruit (<i>Serenoa serrulata/repens</i>)	Maintains a healthy urinary tract and prostate. Supports a strong immune system and restores vitality.
Oats - seed (<i>Avena sativa</i>)	Helps relieve feelings of stress and anxiety. Supports healthy nervous system, libido and related male functions.
Celery - seed (<i>Apium graveolens</i>)	Assists with cleansing the blood. Functions as a tonic to support healthy male physiology, promoting fertility, vitality and longevity.
Damiana - leaf (<i>Turnera diffusa</i>)	Supports healthy nervous system, libido and related male functions. Aids in control of stress and anxiety.
Yarrow - flower (<i>Achillea millefolium</i>)	Supports healthy blood pressure levels. Soothes and calms, normalising distressed tissue.
St. John's Wort - flower (<i>Hypericum perforatum</i>)	Calms the nerves, relieves mild depression. Also helps soothe and normalise distressed tissue.
Skullcap - herb (<i>Scutellaria lateriflora</i>)	Calms the nerves, reduces feelings of anxiety and stress. Helps support healthy blood pressure levels.
Astragalus - whole plant (<i>Astragalus membranaceus</i>)	Promotes vitality and healthy immune responses. Supports healthy kidney and liver functions.
Cayenne - fruit (<i>Capsicum frutescens</i>)	Encourages healthy circulation, especially to the extremities.
